**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a small business owner who has had fabulous results with my ISP. I have had dealings with major providers and found I mattered little in their system. It is the American ideal for small firms to challenge monopolists.

Those challengers are the engines for keeping prices low and efficiencies of scale.
